

FOR OPENING TIME PORTALS

This is for helping to open up Time for the future and for Spiritual Evolution. This layout heals time and cracks in the Earth's Grid and Lay lines, which have started shifting and moving.

- 1) Start by asking the house or apartment (or outside) where to place this layout.
- 2) Place the **8 STONES**, placing the **GARNET & ROSE QUARTZ** toward the North. You can place the stones on a tray so they can be moved all together.
- 3) Light the tea light (candle)
- 4) Place the **4 QUARTZ CRYSTALS** pointing in. Wait 10 minutes.
- 5) Turn the crystals around so they point out.
- 6) Place **4 small pieces of HEMATITE** at the tips of the Crystals, which should *point over the top* of the small Hematite. This allows some of the energy from the Crystals to flow into both the room and the Hematite.
- 7) Ask the building where to place it again. Repeat the process from step 2 using a new candle each time you place the stones.
